

Payments without Borders

Corporate Services

As a privately owned business, we know our clients' satisfaction defines our future success.

In today's competitive business world, we understand how hard it is to run a profitable business.

We are a specialist money exchange broker, and it's all we do. So, you can rely on your dedicated dealer to give you the best possible service, whatever the situation.

With Frontierpay as your payments partner, you will always receive first-class, impartial guidance. Not only is our service low risk but delivers operational and commercial benefits to those that use it.

Key Facts

- Established in 2009
- Strong credit rating with Creditsafe
- FCA authorised and regulated in the UK
- MAS authorised and regulated in Singapore
- Segregated client money accounts
- Tier 1 banking counterparties
- Strong and experienced leadership team

We are delighted that we've found a reliable way of paying our international suppliers that's both quick and cost effective.

Our Services

All transactions are unique, so our services are built to handle any situation. We offer:

Fixed Forward

Secure today's exchange rate for use on a future fixed payment date.

Flexible Forward

Fix the exchange rate and have the freedom to draw down when required.

Spot

Immediate access to live pricing on more than 140 currencies.

Market Orders

A flexible, round-the-clock way to make the most of volatility and achieve a desired rate.

Rate Watch

Tailored alerts to rate moves that affect your business.

Daily Comments

Keep abreast of market conditions with our bite-size summaries.

Why Use Frontierpay?

- Highly competitive exchange rates
- Helpful, knowledgeable support
- Free account facility with no obligation to trade
- No hidden charges
- Transfer online or by phone
- Industry leading settlement times
- Authorised and regulated by the FCA and MAS
- 99.97% on-time payment success rate
- Strong credit rating with Creditsafe
- Segregated client money accounts
- Dedicated dealer

Whether you're looking to simply hedge your exposure to exchange rate fluctuations or want to carry out a more complex transaction, we are here to help.

Whatever your requirements, we give you a dedicated point of contact who monitors the market on your behalf, keeps you up-to-date with market movements and provides expert guidance. Our pricing is transparent and the solution dependable.

To start trading, set up a free account facility with no obligation to transact online.
